

Resetting Your FPDS-NG Password

If you have locked yourself out of **Federal Procurement Data System - Next Generation** (FPDS-NG) or forgotten your password, you can now go to FPDS website at: <https://www.fpds.gov/> and reset your FPDS login password directly.

From the main login screen, just below the login field, click on "**Forgot Your Password?**"

The following screen will appear where you will enter your User ID which is your official NOAA e-mail address.

Click submit and the FPDS system will send you an e-mail with a temporary password.

When you receive the temporary password, login with the temporary password. The system will ask you to create a new password and then proceed to take you into the FPDS system.

If you have any questions, please contact the NOAA Client Services Help Desk on 301-427-1023 or via email at clientservices@noaa.gov. Hours of operation are 7:00 am - 5:00 pm ET, Monday through Friday.
